During the past year the library has been greatly improved. All the books have been looked over by Mr. Ralph D. Riley, a State librarian, and many have been weeded out. Mr. Riley spent five days here and did a thorough job. We are grateful to him for his interest. This work was paid for by the state.

In November, the library was redecorated, extra shelves were added and the library desk and book stacks were re-arranged to give more room for the children's section.

In spite of the torn up roads, the circulation of books increased by 487 over that of last year; the Church reading group, under the leadership of Mrs. F. R. Dixon, is larger; pupils from the first primary grade are now permitted to take out books and some books are circulated among the kindergarten and primary groups in Sunday school.

Working together, the teachers and librarian encourage the school children to read the books selected for required reading.

Angela DeCosta was awarded the library prize this year, as she stood highest in literature in the comprehensive tests given by Supt. Bennett.

On August 5th, the librarian, Mrs. Harry R. Deal handed in her resignation at a meeting of the Library Trustees, but was asked to take a vacation of a year, instead, to reconsider, with

Mrs. Burgess Metcalf acting as librarian. This plan was adopted with Mrs. Deal filling Mrs. Metcalf's place as substitute librarian.

Our friends have been good to us, as usual, and for their gifts of books and magazines we thank them.

Secondary (3 pupils)	1.36
Number of School Board Meetings	11
Number of school visits made by School Board Members	16
Number of school visits made by Superintendent	72
Number of school visits made by parents, citizens, and others	95

### Roll of Honor for Perfect Attendance for Full Year:

Oakes, Winston, Grade 4	DeCosta, Angela, Grade 8
Winn, Velma, Grade 4	Gardner, Wayne, Grade 8
Winn, Donald, Grade 6	Winn, John, Grade 8

### Promoted from Grade 8 to High School, June 1952:

DeCosta, Angela	Wilson, Stanley
Gardner, Wayne	Winn, John
Sawyer, Janice	

### Enrollment by Grades

Grade	1	2	3	4	5	6	7	8	Total
Piermont	11	10	10	10	8	9	7	7	72

The 1952-1953 school year started at the Piermont Village School on September 3rd. There were enrolled 76 elementary pupils. Also registered were 31 secondary pupils; 9 at Haverhill Academy and 22 at Bradford Academy, Bradford, Vermont.

The system was fortunate in having no change in its staff. Any good system is strengthened by little or no change in its personnel.

The School Board continued its excellent method of continuous upkeep of the physical plant. The main building, as well as the primary room, was painted, work tables hinged to walls, new curtains hung for visual education films, and a more adequate hot water heater purchased. The latter improvement also made possible the transfer of the smaller heater to the primary room which makes a much more sanitary situation for the little folk.

The school census shows an increase in enrollment again for the second consecutive year. Seven eighth graders will leave in June, while approximately 16 will enter first grade in September. This will make an estimated number of 33 in the primary room, 25 in the intermediate room, and 23 in the upper grade room. This over-crowded condition will exist for only a year, however, as the next five years will have an average of only eight entering pupils each year, as indicated by census figures.

It is only by the concerted efforts of school personnel, parents, and citizens that we enjoy, and point with pride, to the well-organized, economically operated, and efficiently taught public schools. Expressing my appreciation for the above co-operation is an annual pleasure.

W. E. Givens, Executive Secretary of the N. E. A., has stated that "the educational programs of our schools have developed in response to the needs of the individuals and the communities they serve."

Our early schools were largely influenced by a concept that education was MEMORIZATION. A person may be well stuffed with information and still be very poorly educated. Education for tomorrow includes **thinking** as well as knowing.

Respectfully submitted,

PHIL A. BENNETT,

Superintendent of Schools

Piermont, N. H.

January 14, 1953

## NURSE'S REPORT

---

Number of Pupils Examined 69

Symptoms of Defects		Corrections	
Vision	6	Vision	4
Teeth	41	Teeth	29
Tonsils	10	Home Visits	14
School Visits	18		

Two pupils attended the Child Guidance Clinic at Littleton, New Hampshire.

The vision tests were completed in all grades. Whenever symptoms of defects were found, written notice was sent home to the parent or guardian.

The 1st grade children were given the audiometric hearing test.

One of the recommendations of the Director of School Health Services was Physical Examinations for the 1st, 4th, and 8th grades. In this way, each pupil would receive three complete physical check-ups during his grade school years.

I wish to express my appreciation to Mr. Bennett, to the teachers, and to the parents for the kind cooperation which I have received in carrying out the School Health Program.

Respectfully submitted,

MURIEL LaMOTT, R. N.

School Nurse
